Subject:-Allotment of wagons.

Sir,

I am directed to state that Chief Officer, Gadag Betgeri Municipal Borough, has been allotted 60 tons of A.C.C. Cement from Shahabad Works. It has been reported by that officer that railway authorities are not alloting wagons for transporting Shahabad factory cement from Hutgi to Gadag. As the Municipal works are held up for want of cement, I am to request you to arrange to allot the necessary wagons from Hutgi to Gadag for transport of the said cement as a special case.

2. The Railway authorities are not allotting wagons from Hutgi to Gadag for transporting cement on the ground that it would be a cross movement as cement is available at Bagalakoti. But since the present allotment is from Shahabad Factory the Railway Authorities may please be requested to allot wagons this time as a special case and the Association Cement Company may be requested to issue future permits for cement to be allotted to this municipality from Bagalkot/ Factory.

Chief Officer,
Gadag Betgeri Municipal Borough....

The Chief Commercial Superintendent,
Central Railway, V.T.,
BOMBAY.

Dear Sir,

Sub: Supply of cement ex Shahabad to stations,
Belgau, Hubli, Dharwar, etc.
Ref: Outstanding orders.

As you are already aware, our Shahabad factory is not supplied any allotment of wagons for movement of cement via Hotgi since 16th January 1956. They have on their books very important and outstanding orders to the tune of 5,000 tons which includes 2665 tons on account of the important Govt. P.W.D. Projects such as Ghataprabha Scheme and 1500 tons on account of Railway demands.

2. Supplies both to State Govt. and the Railways are made under the Rate Contract with the Government of India. It would be difficult for these Indentors to draw supplies from other manufacturers as all of them are not under the Rate Contract with the Government.

3. Other constituents have booked their orders with us with full advance remittances and because of the restriction we have not been able to arrange their supplies for a considerable time. Frequent representations are made from consumers for movement of cement to important stations such as Belgaum, Hubli, Dharwar, etc. which can only be served via Hotgi and no other factory can liquidate such heavy outstandings within a reasonable time. We do not even have an alternative suggestion to offer them nor are we in a position to arrange supplies via longer route unless such movement is permitted by you.

4. May we please, therefore, request you to issue instructions to the Divisional Transportation Supdt., Sholapur, to allot necessary quota of wagons to enable the Shahabad Works atleast to liquidate the orders which are booked prior to the imposition of the movement restrictions?

5. We trust you will give your kind consideration to the above and extend your co-operation in lifting this restriction via Hotgi atleast temporarily to enable us to liquidate the above indicated outstanding orders.

6. Your prompt action in the matter will be greatly appreciated.

Yours faithfully,
For THE CEMENT MARKETING CO. OF INDIA LTD.

J:PNR

Copy to: 1. The Asst. Secretary to the Govt. of Bombay, Rehabilitation & Backward Classes Dept., Sachivalaya, Fort, Bombay for similar action please.
2. The Asst. Secretary to the Govt.of Bombay, P.W.D. Sachivalaya, Bombay.
3. The Controller of Stores, Southern Railway.

They are requested to kindly move the Railways in the above matter as otherwise all the important orders of high priority would remain unexecuted owing to permanent booking restrictions to M.G. stations served via Hotgi.

Sub:- Movement of cement - Ex Shahabad to Gadag.

Sir,

I am directed to state that Chief Officer, Gadag-Betgeri Municipal Borough was allotted 60 tons of cement from Shahabad Works. It was reported that after that railway authorities were not allotting wagons for transporting Shahabad cement to Gadag via Hotgi. The Chief Operating Superintendent, Southern Railway was accordingly requested to allot necessary wagons from Hotgi to Gadag for transporting the said cement. The Chief Operating Supdt. has informed that booking ~~Instructions~~ of cement from Shahabad to metre gauge stations via Hotgi is restricted as it involves cross movement of cement.

2. I am also to state that large orders are pending with Shahabad works for supply of cement to metre gauge stations and rules

booking restrictions in respect of Shahabad Cement-
na Hotgi are removed it is not possible to
clear the back logs. It is also not possible to
clear the back logs from any other factory within
a reasonable time. I am therefore to request
you to prevail upon the Authorities concerned
and arrange to remove the booking restrictions
and issue instructions to Railways to allot
necessary quota of wagons to enable Shahabad
Cement to liquidate the back logs without in the
interest of important PWD Projects like Bhelafabha
Scheme.
